- Rainbow  
of the Desert -

Wubang, "Shenao's" disciple, Zhongli, had been stationed in this area for three years.

His main purpose is to aid with Wubang Style's attack on Huzhou, as he is familiar with the streets of Zhou.

AFTER WE PASS THROUGH SHAOJI ALLEY, WE'LL BE ALMOST THERE!

*Shamo Alley*  
An academy for  
nobles trying to  
pass the imperial  
examinations. It's  
built very tightly  
with the backdoors  
to the academy on  
either side of the  
alley. It is so narrow  
only two or three  
people can walk  
shoulder to shoulder  
down the alley.

INTERDUBIT-  
MAG! INTER-  
ESTAGH!

OH!

ASSIS-  
TANT  
HEAD-  
MASTER!

IT'S  
THIS  
WAY!

THIS WAY!

SISTER, ARE YOU SURE WE ARE GOING THROUGH HERE?

OUT OF THE WAY!  
OUT OF THE WAY!

IF WE MISSED IT  
IT WILL BE  
REALLY TERRIBLE!  
REALLY TERRIBLE!

BROTHER  
DUN, LET'S  
HURRY!

The mysterious  
ruler didn't iden-  
tify himself as a  
friend or foe, but  
Gus Dunbar  
didn't want to  
get tangled up in  
this crucial  
moment and  
secretly breathed  
a sigh of relief.

Although Gus  
Dunbar doesn't  
know about  
the situation  
in the city,

if the West  
army  
managed to  
team up with  
the East,  
the battle  
would become  
difficult.

YOU HAVE  
HURRY! ONLY  
THERE! I'LL  
STAY HERE  
AND BLOCK  
OFF THE  
ALLEY.

Gus Dunbar  
is actually  
hardmaster  
Kingham's  
representation.  
Lislong,  
Bashong,  
and the others  
must obey.

He is Cao  
Dun's  
son, brother of  
Zhang  
Dun and  
bearer of  
the Taijitu  
symbol on  
his chest.

Besides,  
they have  
no reason  
to worry.

Their road  
ends here.

Can Dander  
did not say  
anything  
but his eyes  
already  
conveyed  
everything.

Although Jing  
Liu seems to  
witness Gao  
Dun's martial  
arts, he is more  
worried about  
Yan Heng and  
Tang's and  
decides to head  
to the inn.

Gui Danke knows the Hunter is a dangerous character. He, Hunter and Yin Yingchuan unite their attacks, he would be in a perilous position.

WHERE ARE YOU GOING? ARE YOU TRYING TO ATTACK ME BOTH THE BACK AND THE FRONT?

WE'LL WAIT LATER

Although Gui Danke doesn't know why, his instincts trust that the Hunter isn't that kind of person.

I'M WORRIED ABOUT MY COMPANION. CAN YOU LET ME GO THROUGHTLY?

THEN WE'LL SEE EACH OTHER LATER

THANK YOU

Ying Lin and Gan Dander are both martial masters, but their conversations lightly resemble those of close friends.

But they both know that the next time they meet, there would be no holding back.

Dong Sungkai and Han Tianhua both thought Yun Hong had killed him and released their grip. Fencer, took this opportunity to escape!

Deng Senguan wanted to pursue, but seeing as Fuyang had gained the high ground and has hidden weapons, they had to back away carefully

YOU DIDN'T THINK I'D SEE THROUGH YOU!

THIS GUY HINTS A GONG-CHENG STYLE DISCIPLINE, HE'S AN AGENT HENT HIDE BY THE WUJANG!

YOU... WHAT ARE YOU SAYING?

DON'T FORGET HE ALSO LET OUT OF THE GULF WITH TWO SARDHOU!

IF HE HADN'T AN AGENT, WHY DIDN'T HE KILL HIM? WHY DID HE LET HIM GO?

In reality, Yan Heng didn't help Fungong escape, he just widened his stroke and rescued completely. Fungong escaped all on his own.

AND DIDN'T YOU HEAR? HE SAID HE HAD USED WUJANG (BROOD) TECHNIQUES!

DON'T SAY SUCH NONSENSE

Han Tian-hao was in the middle and was unable to see everything that happened!

IT'S NOT LIKE THAT...

With the wording being so close, how can Yan Heng explain with such little time?

Fengcong had said "You are using a Wudang sword", based on the "Jingwu Sword", but Dong Sunqiao interpreted it as "sword techniques".

Because Han Tian-hao didn't say anything, their suspicion against Yan Heng increased!

No one in the crowd has seen either Qing-sheng or Wudang sword techniques, so they can't distinguish between the styles.

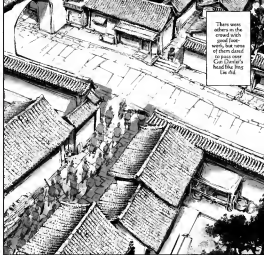

BRING THE SWORDS!

THE GUY FROM WUDANG IS INJURED AND WOULDN'T MATTER. WE'LL KILL THIS SPY TOGETHER! Avenge our brothers!

Chapter 44  
Bagua vs Taichi

There were  
others in the  
crowd with  
good foot-  
work, but none  
of them dared  
to pass over  
Cao Chong's  
head like Jing  
U did.

I HOPE  
BEFORE  
THAT I  
WOULD BE  
NOSED UP  
AGAINST  
YOU TODAY.

I'LL FINALLY  
GET A TASTE  
OF JUST HOW  
"LUNGFRAT-  
TERLY LUNGE-  
D" THE MEL-  
ONS' MELANG  
STYLE IS.

Although Carl Dander's palms seem to be in bad shape, his arms are from the times he practiced taking down weapons with his bare hands.

DON'T WORRY, I WON'T DRINK POINT.

Even since he completed his "Tachi Jitsu" five years ago, no weapon could harm his two hands.

THAT'S GREAT TO HEAR.

This is unquestionably Yin Yangshan's most important fight of his life.

To become the expert he believed he was, or to have wasted twenty-five years.

Especially in [thirty-two years old], what has ahead of his martial career is only a dreamworld hell.

He had no way to escape to save himself. The meaning of this moment was to self-defeat.

Yin Yangshan firmly believes he has an extraordinary strength, but since studying the martial arts for forty years,

At this moment, the present Gao Dazhi is feeling isn't less but rather greater than when Yin Yangshan is feeling.

Defeat the Shensi Ally and possess the headquarters, there are his missions. But against an opponent named a Wudang disciple's mission was mission is to return only with victory.

Can Dunley, being the head of "Zhangai Daa" against Bayan. Does he cannot afford to lose the honor his disciples had won back to them.

At the recent royal duel, Wokang had defeated Bayan.

What Yin Ying-dun seeks to prove is his strength.

But what Wokang disciples seek is neither "strength" nor "superiority", but the status of "undefeatable".

A man with a beard and a topknot, wearing a traditional robe, stands with his arms outstretched, addressing a large crowd of people. The crowd is composed of many individuals, some wearing headbands.

All the  
Banyan

members

their sister  
Yin Yang  
dancer's  
name and  
touch a  
swoosh of  
sage's back  
at the same  
time.

SOME OF YOU  
ARE TO MOVE  
A WHOLE  
FAMILY  
WITHOUT MY  
ORDER.

A close-up, high-contrast black and white illustration of a man's face. He has a thick beard and intense, downward-cast eyes. His expression is stern and focused.

Get the hell back over  
yourself for the last time.  
You're not a warrior and you  
don't belong here. You're just a  
man who's afraid to  
stand from the body.

A man with spiky hair and a beard, wearing a dark robe, is shown from the chest up. He has a determined and intense expression. His hands are raised in front of him, palms facing forward, with fingers slightly spread.

Suppress it,  
and ponder it.  
Then let it  
explode at  
the most  
crucial  
moment.

His outside  
relaxed, his  
inner energy  
spread out.  
This is the  
ideal situa-  
tion for  
"Tao's  
flow".

Yin Yingfeng  
poured from a  
straight spring.  
The blade  
which was  
vertical with  
his right hand  
deranged  
direction!

slash!*

The Shandi  
Alley is narrow,  
so Gai Dardis  
predicted that  
Yin  
Vingchuan's  
Rapun blade  
could only make  
three types of  
attack towards  
the middle.

But he didn't  
forget the  
angle of this  
moon. Not  
wanting to  
meet the  
blade, Gai  
Dardis  
quickly  
jumped back.

A forward  
stab, a  
discovered  
straight  
slash, or an  
upward  
attack.

Even though  
his vision is  
obscured,  
Gai Dardis  
felt the  
second  
attack  
coming!

Yin Yingzhou's spinning blade moves made it seem as though his body and sword were merged, like a whirling top with blades swirling towards Cao Dandan.

The reveal that a few months ago greatly wounded Begonia Dorr's name.

Watching Yin Yingzhou's sword, the disciples have looks of joy on their faces.

Yin Ying doesn't even give Can Duanli any time to relax. With the momentum of his previous spinning blade, this third slash is even faster!

The moment needed to break a move lies in the ability to adjust to its rhythm.

The more he sees the better he can grasp the weaknesses. Persistence is the key.

Can Duanli calmly dodges using his eyes, ears, and skin to measure the speed and force of each move.

*Just a bit more!*

*I can't believe  
Bogun Shun  
has hidden  
such a dangerous  
character  
like him!*

Yu Yingchuan  
sharpened his  
right spinning  
Wind Triagram  
and left charging  
Fire Triagram  
weapons and forced  
Cao Daxin back  
another eight  
steps.

*Damn! This long  
and you haven't  
used a single  
move. Are you  
really the opponent  
I was waiting for?*

This full on battle has made him feel young again.

And past his fifty, Yui Yingchuan expended a lot of his stamina with the spinning blade. But even since he fought, he's had the advantage and felt excited.

Even if they don't participate in a group attack, they can go help out at the inn.

With twenty men, Yui Yingchuan can force Gui Dierci out of the alley and the crowd can immediately rush up!

Gui Dierci actually has a counter plan, but he wants to observe more of the moves before using it.

However he no longer has that luxury.

Yin Yingchuan felt the sudden change, but there was no time left to switch his move, only enough time to complete the overpowering dash!

Gao Dander used "Yama" and imagined soft grass before him suppressing the instinctive human fear to quickly "fall" down.

In Yin Yingchuan's eyes, the large body of Gao Dander suddenly disappeared in front of his blade.

By now  
Duan's techniques  
start from the foot.  
Countering  
at the foot  
will counter  
the whole  
thing.

This fall and  
kick may seem  
comical, but  
Cui Dandan can  
avoid the slash  
while striking  
at his  
opponent's  
most vulner-  
able area.

Yin Yingchuan's  
line of sight is  
blinded by his own  
blade and can't see  
Cui Dandan's con-  
tentiously, but his  
sense as a martial  
artist tells him the  
attack is coming  
from below.

The stroke in  
which he put in  
all his power is  
nearly the  
stopped. To  
avoid breaking  
his legs, he  
would have to  
let go of his  
blade.

He didn't  
change  
stroke.  
He didn't  
falter.

More impor-  
tantly he  
didn't let go,  
and instead  
quickened  
his slash!

Yin Yingchuan  
had trained  
with this blade  
for nearly  
twenty years.  
How could he  
not have  
anticipated  
a situation  
like this?

Yin Yingchuan didn't jump with his leg strength alone. It would not have allowed him to avoid Guo Chuan's move.

He used the momentum from the huge dagger blade and heavy sword strokes to "boor" his body up into the air!

Good-

Guo Chuan's martial arts actually broke the fast leaving the ground. A flying kick like this should never be used.

But to patch the weakness in his techniques and weapons, Yin Yingpiaoan boldly opposed his Deer and created a new move.

If he can latch onto the opponent's limb, his "Lucha furo" would give him a huge advantage!

Gan Dangle couldn't dodge in time and twisted his body to avoid hitting any vital points. He made his right chest take the blow.

Yin Ying doesn't see Gan Dangle's feisty battle body and knows that his body won't be able to handle around him.

But this  
was all a  
set up for  
this last,  
sur-  
prising  
sach-  
scape.

Defeating

Chapter 45  
- Tiger's Den -

With Deng  
Sengnan's  
signal, the  
other Missing  
Door disciples  
conferred Yan  
Heng as a  
Wokang and  
moved up to  
surround him!

Yan Heng  
thought about  
the time he  
confronted the Maple  
Gang. The great-  
est danger when  
facing a larger  
number is getting  
surrounded, so it's  
better to be con-  
stantly moving.

**DON'T  
FIGHT!  
CONFIRM  
THE SITU-  
ATION  
FIRST!**

Man Tienbo  
had previously been  
saved by  
Yao Hong  
and cannot  
believe he is  
a Wujiang  
spy.

These Mingyong  
Door disciples  
are not coordi-  
nated at all,  
just fighting at  
their own pace.  
There is plenty  
of space for Yao  
Hong to over-  
take this fight.

But his  
stamina is  
being ex-  
pended at a  
great rate and  
there is no  
telling how  
much longer  
he can last.

A black and white manga-style illustration of a woman with long dark hair, wearing a dark, high-collared robe with wide sleeves. She is in a dynamic, crouched pose, holding a long sword diagonally across her body. Her right arm is raised, and her left hand is near the hilt. The background is a simple, light-colored surface.

Yen Heng is arrogant and over-  
confidently draws the  
"Frenzied Tiger"

A black and white illustration of a woman with long dark hair, wearing a dark robe, in a dynamic pose. She is surrounded by a circular, swirling pattern that resembles a vortex or a large, stylized letter 'C'. The background is dark and textured.

Combined with the  
Qing-sheng  
Sutra dual  
sword tech-  
nique, "Yen-  
sen Sword"  
fundamentals,  
Yen Heng  
felt at ease  
watching it!

King Lin had's  
taught Yen Heng  
how to fend off  
opponents while  
dual wielding, but  
Yen Heng had  
been practicing  
hard by himself  
learning how to  
use the sword  
left-handed

Yin Hwang's  
eyes are bright  
and his heart is  
clear. The timing  
and location of  
each sword is  
extra precise, and  
blocked off the  
swords from the  
right people.

Even  
though his  
leg is still  
bleeding,  
Yin Hwang  
is some-  
how drawn  
into this  
fight.

Song Lin  
said I had  
talent dual  
wielding,  
and he's  
right!

Could it be...  
I'm naturally  
drawn to  
fighting?

Teng Jing had been practicing the "Wind-Fire Sword" and charged across on reflex. She managed to force her opponent to defend!

Starting off the fight with an advantage, there is a sense of excitement in her heart.

The technique she taught me is really high-class!

The Marrow Down disciple got used to her speed and began to fight back.

But Tengen Jiro only added the advantage because of her politeness.

STRIKE HER TOGETHER!

CUT  
THEM  
BOTH  
DOWN!

Tong Jing  
moved up to  
help Yan  
Hong but  
two Man-  
chu Chiao  
disciples  
blocked her  
halfway

She is  
desperate,  
but not in  
terms of  
her own  
safety

*At the very  
least, I need  
to hold off  
those that no  
one Hong can  
fight less  
proper!*

But her opponent is stronger than her, and with each bloody blow, she is forced to take a step back.

EVERYONE STOP!

He was  
afraid during  
the fight that  
the *Ming*  
Door might  
take the op-  
portunity to  
jump down to  
attack the  
headmaster.

Han Tianbo  
is regretful  
that his  
discussions  
over another

ciple his life.

Tang Jing,  
with her pro-  
cesses relieved,  
took two  
steps back to  
take a breath  
before fight-  
ing again.

When Taro  
ling fell in a  
tiger's den,  
hundreds of  
crews were  
dangerous  
than on the  
outside.

Because  
because in  
that room,  
is one  
person.

But Dong Sun-  
san and the four  
have been ready.  
How could they  
let Yan Heng  
break through  
their formation  
again!

It's as though Yan Heng lost all feeling of pain. All he can think about is Tang Hong who fell through the rooftop.

*I can't let her die for me!*

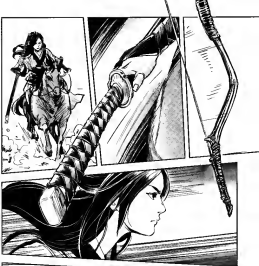

Dong Sangao and the others thought Yan Heng is fighting towards the hole in order to join with the headmaestro, and their attacks became even more ferocious.

**YOU TRAITOR!  
DON'T THINK  
YOU CAN  
GET  
AWAY!**

Yan Huang  
and the  
Lugdan un-

other and  
approach  
without a  
word.

Hu Linglan and Ping Lie had split up to find Tong Jing. After asking around, they discovered the army reached this place.

## Chapter 46

### - Slicing the Moon in the Water -

The most difficult part about "second-catchers" isn't the technique, preparation, or speed.

Only one can win. Succeed or die.

It's the game.

At this point, he can only hope he is faster than the disappearing force of "Taochi".

Yin Yingchuan remembers the wicked Jing Liu used to defeat "Taochi", but he had already put every ounce of his strength behind this move. There is no way he can change moves now.

In the battle-ready eyes of Guo Dunlun, it was as if his opponent's tempo slowed down.

Dong Junyi is using the same Dragon Door technique, but his martial arts strength is below Yin Yongshou's.

Ding Junxi was pulled so quickly he was about to crash into the ground. Naturally, he leaned back to stabilize himself.

As soon as Guo Chaoxi sensed the sudden change in Ding Junxi, he quickly altered his moves.

Following Ding Junxi's force, he dealt a heavy-shoulder tackle!

When Ding Junxi met the resistance of the two behind him, he instantly grasped their positions and movements.

Can Dander  
lower his  
weight in one  
swift move-  
ment, and

are at their  
peak, and  
his concentra-  
tion to focus  
is beyond  
those of  
average  
people?

Gar Darda  
was an intense  
an assassin  
this ally that  
he showed  
no mercy or  
reluctance, and  
triggered a  
third blow!

Baga Door  
and the  
crowd of the  
mortal area  
would soon  
surrender and  
angry, but the  
ally was  
so narrow no  
one could do  
anything  
against it.

The force  
from "Iuchi  
Fuzo" can  
go through  
the body of  
Ding Junq  
and settle  
those behind  
him!

Special technique  
*Striking

Behind  
Mountain*

*Push together!  
Push that guy out  
of the alley!*

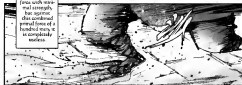

*push  
him  
out!*

Gen Denin has a technique that can disperse a larger force with minimal strength, but against this combined primal force of a hundred men, it is completely useless.

**HURRY  
UP AND  
KILL  
HIM!**

**THEN  
WE'LL  
RUSH OVER  
AND CAP-  
TURE THE  
WUDANG  
HEAD-  
MASTER!**

**DO YOU  
GUYS STILL  
REMEMBER  
WHAT HE  
SAID?**

"Slender Moon  
in the Mirror"  
didn't wound  
his joints but  
he lost a lot of  
blood and has  
no conscious  
strength when  
he awakes.

Although  
Gao Daxin  
is confident in  
his skills, in his  
current condition  
he won't win  
whether or not he  
can break out of  
this enclosure.

WE HAVE TO BAND TOGETHER AND KILL AS MANY BLOODSUCKING MARTIAL ARTISTS AS POSSIBLE!

THIS IS A BATTLE THAT CONCERNS ALL THE STYLES OF THE MARTIAL WORLD.

HE SAID THAT THE LAST STYLE TO BEHOLD OUT OF XIAN WOULD BE DESTROYED BY MUDANGS FIRST.

Gai Dander also remembered a phrase he said this morning.

But that mountain of corpses might add his body.

"We'll turn the armies of Xian into a mountain of corpses and a sea of blood."

All were simply waiting for the bravest, the first strike.

The killing began across the crowd permeated through streets as though this was a battlefield.

Chapter 47  
- Enemy -

DON'T  
MOVE!

Yan Hong's  
marry!

Tong Jing couldn't  
believe that the man  
before her, so refined  
and graceful, was the  
one whose name is  
known throughout the  
world, the Wudang  
headmaster Yao  
Lianzhuo.

LET ME  
BORROW  
THE  
SWORD.

IF YOU  
LEAVE THE  
BED, YOU  
WILL DIE.

XIAOYIN HIDE  
BEHIND THE  
CHAIR, DON'T  
COME OUT.

.....

Yao Lian-  
ghong  
already  
sensed  
that  
the enemy  
had sur-  
rounded  
the inn

This door  
is the last  
gate, it  
cannot be  
lost.

Even in the face  
of a fearsome  
enemy, Xiang  
Diao's martial  
artists have honed  
a sacred warrior  
ethos through years of  
training, so they  
can fight without  
panicking.

*No wonder  
was so deeply  
reached that his  
entire body became hot  
perceived he is having  
difficulty standing. How  
will he be able to use  
his "Tide", which  
is based on his  
sense of touch?*

*He's  
heavily  
injured!*

Lin  
Huang felt  
the weakness  
behind Yoo  
Lianhua's  
blows and felt  
a surge of  
spirit energy.

*All of his  
current moves  
are based on his  
instinct and experi-  
ence, using minimal  
strength and  
utilizing it to the  
most advantage  
possible.*

Even  
though he  
is in such  
a perilous  
situation...

The word  
"defuse"  
didn't even  
cross his  
mind.

Yao  
Luanchou's  
body is on  
the verge of  
collapsing.

Just in the  
last instant  
he used  
"Chasing  
Form,  
Cutting  
Pulse"

He'll  
see this  
army co-  
loring  
back the  
name of  
Xinyi  
Door!

Lin Hengyi  
knows Yao  
Luanchou doesn't  
have any strength  
left in his body,  
but he still can't  
cut him down. In  
an instant, Yao  
Luanchou had  
mercilessly creased  
the hands of his  
two brothers!

The main reason why Yao Lunshou is dangerous is because he can use openings that his enemies don't even know exist.

Two times  
Yan Heng and  
Jing Lin opened  
up a new area of  
cooperation  
for Jing Lin,  
she has been  
thinking about  
how to get  
stronger these  
past months.

When she  
saw that Yan  
Lianzhou was  
well able to use  
the infamous  
"Blazing Form  
Sword" despite  
losing all of his  
strength, she  
came to a certain  
realization.

*Even if you  
are physically  
weaker than  
your opponent,  
you can still  
win victory  
this way!*

Tong Jing can't express the happiness in her heart seeing Yan Hong jump down without a second thought to save her.

When their eyes met, it was as though a moment of warmth was exchanged between the two.

I'M GLAD YOU'RE OKAY.

Yan Hong saw that Tong Jing wasn't injured and felt a wave of relief.

Yan Hong felt a maddening fury seeping through his chest.

Too Lanchou.  
Hiding headmaster.  
Number one enemy.

YOUNG LORD!

Because  
of this man's  
crimes,  
for this  
scale of  
"unforgive-  
able  
under the  
heavens",

his teacher,  
seniors,  
brothers, all  
were killed.  
"Xiao  
Mangshi"  
lashed down.  
The Qingcheng  
style, destroyed.

Yin Xueyan  
recognizes  
Yan Hong as  
the one who  
saved her

Yan Hong  
witnessed Ye  
Changqian  
killing his  
teacher, his  
headmaster,  
and he knows  
the difference  
between him-  
self and Yan  
Lianzhou

To  
repent  
long,  
long, I've  
had  
already  
given up  
every  
thing!

But from the  
eyes in Yan  
Hong's eyes,  
she can see that  
his hate for Yao  
Lianzhou is  
different from  
those of any  
others

Yao Liangshou  
doesn't know  
what the young  
man in front of  
him is. There  
is also no need  
to know.

In his  
world,  
honor  
need no  
explanations.

Before the two  
"Heavenly Swords"  
even crossed,  
Yao Liangshou  
had already  
assured "Heaven  
Sword" in silence  
through Yao  
Hong's sword.

Naturally,  
Yao  
Luozhou's  
stroke is his  
current state,  
is not even  
half as swift  
as Ye  
Chengyuan's.

Yan Hong has  
been positively  
using the fight  
between his  
master and Ye  
Chengyuan as a  
guide and was  
able to avoid  
the Wubang  
Farm Sword.

This battle is  
unusually the  
same way  
He Zhibang  
fought Ye  
Chengyuan.

Yan Hong  
known in the  
face of a stronger  
opponent, he has  
to give pressure  
in order to have  
a chance for  
survival.

He uses his  
two swords to  
continuously  
attack and not  
allow Yao  
Luozhou any  
moments of  
respite.

Yao Lianzhou doesn't have the stamina to continue and has to use the smallest amount of strength and the most effective angles to block Yao Hong's waves of attack.

The three swords haven't crossed once, but the two are fighting splendidly.

Originally they draw their swords to protect the woman behind them, and partially hold back.

But after the two crossed swords, the martial artists' blood within them surged for the other's sword.

And that Qingcheng Style disciple can fight on par with him!

Only when the Xinyi Dao group are not involved could they see how Yao Linzhou used his sword.

DIDN'T YOU HEAR WHAT DONG SANGAO SAID ON THE ROOFTOP?

HE MIGHT BE A SPY FAKING TO LOOK LIKE US.

TOUCHED WITH THAT QING-CHENG STYLE DISCIPLE, WE'LL BE ABLE TO SURVIVE HERE!

BROTHER YAO, YAO LINZHOU REALLY SUPPRESSED AN INTERNAL BUDDY.

JUST CALM DOWN, DON'T BE IMPATIENT!

BUT IT DOESN'T LOOK LIKE THEY ARE FAKING A FIGHT...

Yao Hong's dual swords felt more and more natural, as he remembered what Jing Lin had said.

From arming down Baozong's living dagger, to fighting against Mirong Dao's single different sword, then fighting on par with Yao Linzhou,

A true genius  
firmly believes  
he is a genius.

But now he  
can barely  
hold on to  
his sword  
and Yin  
Hang's  
other sword  
is already  
on its way.

On  
any other  
day, Yin  
Lianhai's  
"True  
Sword"  
would be  
unstopable.

To a  
martial arts  
expert, it's  
humiliating!

Knowing  
how to change  
moods, but  
having a body  
that can't  
respond...

In his anger,  
Yuu Lionheart  
uses Windary's  
strongest  
self-sacrificing  
sword  
technique.

This attack  
is almost  
double the  
speed of all  
his other  
moves!

Just like the  
day "Taurus  
Dragon"  
perforated the  
laws of 30  
Chao Ping

The high  
speed attack  
of the sword  
seemed to  
trigger some  
ability on this  
Yan Hong's  
body!

It's just an  
ordinary block  
with the two  
swords  
crossed facing  
towards the  
enemy, but  
that speed,  
power and  
momentum  
felt just like  
the "Female,  
Male, Dragon  
Tiger Sword  
Technique!"

Transcending Dragon  
Thunderbolt Technique

Breaking  
Vault  
of  
Heaven

When Yu Lunheao heard, he knew Yu Hanyang wouldn't allow him to fall on Xueyuan and felt his heart pulsing

*Judging from his looks, he was poisoned not too long ago... When Rakso gave the antidote to that lady... Ren Qinglong looked really worried...*

*Ren Qinglong and Yao Lianshou suffered an injury on the same day, but in reality he was poisoned... That's why thinking had to defend that rooftop...*

WHY WON'T YOU STOP HAVING COMPLAINTS OF HIS ADVICE!

YOUR SHADOW, YOUR ENEMY IS IN FUGAT OF YOU!

*Why can't he achieve down? Is what Dong Xiangjun and trust?*

YOUR SHADOW, WHY ARE YOU LOOKING AT ME LIKE THAT?

*He was the one who poisoned him!*

*Right now he wants to meet one person living in...*

*Remembering how he held his hands while laughing, Yan Huiang felt a sense of disgust.*

*I will use my  
own strength to  
defeat Hsueh  
Wang in a fair  
duel! This is the  
true successor  
of Geng-cheng  
style!*

But he  
remembers how  
he was hit by a  
poisoned arrow  
from the Magat  
Cure and how  
he hated those  
who live and  
despicable each.

When  
he didn't kill  
Liancheng at  
the moment,  
he had already  
made a  
decision.

Yen Hsueh  
knows, if he  
misses this  
opportunity,  
defeating Yen  
Liancheng again  
will be a daunting  
task in the  
unknown future.

THE  
TECHNIQUE  
YOU ARE  
USING ISN'T  
HIAHIAH  
STYLE... IT'S  
GENG-CHENG  
STYLE!

Yen  
Liancheng  
can see Yen  
Hsueh's gaze  
towards  
him.

It is certain  
that he is the  
successor of a  
style that  
has been  
destroyed by  
the Wuliang.

Yan Hong  
didn't scold  
Lianzhou for  
but Yan  
Lianzhou isn't  
surprised

They are  
both martial  
artists and  
Yan Lianzhou  
understands  
how Yan  
Hong is  
feeling.

Even  
though they  
are mortal  
enemies,  
their hearts  
are the  
same.

Chapter 48

- A Meeting of Fate -

Guo Danbo's head is comically blank.

The only things driving him are the training and combat ingrained in his bones.

And the dream of being a Wudang disciple.

IT'S IMPOSSIBLE FOR ALL OF THEM TO BE AS STRONG AS HIM!

MY GOD! WHAT RANK IS HE IN THE WUDANG STYLE?

NO WONDER THEY WENT TO THE CLASH TO THE TITLE OF "THE STRONGEST UNDER THE HEAVENS!"

They have  
nothing on  
their minds  
except to  
end the life  
of their  
prey.

There is no  
trace of a  
mortal  
artist's spirit  
left within  
the people  
surrounding  
him. Instead,  
they are like  
a horde of  
animal  
hunters.

*It's  
almost  
over...*

*At least, I'll  
take half the  
people down  
to hell with  
me.*

COULD IT BE...  
THE EAST  
ARMY HAS  
ALREADY BEEN  
DEFEATED AND  
HAVE FLED  
HERE?

THEY  
DON'T LOOK  
FRIENDLY...

OVER  
THERE...  
WHO ARE  
THEY?

REINFOR-  
MENTS?

Upon hearing  
the word  
"brother", a  
shock went  
through the  
west army.  
Suddenly their  
minds were  
Wudang  
disciplined!

Even though the  
west army was  
more than double  
in numbers, their  
morale dropped  
from Wudang's  
sudden appearance.  
They are leaderless  
and unable to press  
on or back down.

I NEVER  
THOUGHT I  
WOULD SEE  
YOU SO  
HEAT UP.

Gai Dandel also suffered unusual injuries. Coupled with the bleeding and cuts, he is in the same condition as Yin Yingchuan.

DO YOU  
WISH TO  
CONTINUE?

Yin Yingchuan's chest bones and half his ribs are broken. It's a miracle that none of the bones have pierced his insides.

BUT...  
TEN YEARS  
AGO, I  
HADN'T  
EVEN  
STARTED  
LEARNING  
"WUJI  
FIGHTS".

PERHAPS...

IF IT  
WAS TEN  
YEARS  
AGO...

...MY BLADE  
WOULD HAVE...  
STRUCK FASTER  
AND KILLED  
YOU.

A warrior doesn't know when the most important fight in his life is going to take place.

Once he stops down that road, he remains a warrior for the rest of his life.

YES...  
PERHAPS...

Gai Dandel's answer killed Yin Yingchuan with shame.

WE'RE LEAVING!

TAKE  
THE DEAD  
AND THE  
WOUNDED.

The disciples  
hurried to  
convince him  
otherwise.  
They could  
not swallow  
such  
dogma.

Bet...  
later...!

Bet...!

WE'RE  
NOT LOSING  
ANY MORE OF  
MAGUS DOOM  
TODAY.

MUDANG  
STYLE WILL  
BE BRADY  
WHENEVER  
YOU ARE.

WE WILL  
HAVE A MORE  
IMPORTANT  
BATTLE IN  
THE FUTURE.

THEY ALL LEFT...

WHAT DO WE DO NOW...?

— LEAVE TOGETHER I GUESS.

Out of fear that the Wangs would retaliate, the other martial artists quickly followed Bagua Diao.

Because of Bagua Diao's absence, the riot also began to dissipate.

Meanwhile, many people dramatically reversed the white cloth dedicated to Hu Zhihang.

So he travelled around the area controlled by the Wulong, gathered forty disciples from allied sects outside the misty rain, and hurried near Xiao to help.

In Nanjing, he heard that the headmaster was being hunted and felt that things weren't normal.

LOOKING AT  
THESE FACES,  
IT DOESN'T  
LOOK LIKE  
THEY CARE  
HOW WELL  
I'M DOING...

THANKFULLY  
WE DIDN'T  
HAVE TO FIGHT.  
OTHERWISE THEY  
WOULD HAVE  
DISPERSED AND  
WE WOULD BE  
DEAD, STOP

Can't you see  
I'm mortally  
wounded...?

A single  
touch  
could  
take my  
life...

STOP!

STOP  
FIGHT-  
ING!

YIN HING  
ISN'T AN  
AGENT! HE  
SAVED MY  
LIFE!

WHY DID  
YOU LET  
THAT  
AGENT  
IN?

I SAID  
STOP  
FIGHTING,  
SO STOP  
FIGHTING!

HOW DO  
YOU KNOW  
THAT WASN'T  
AN ACT? I SAW  
HIM LET GO OF  
THAT WUDANG  
STYLE BAE-  
TARD!

I SAID  
DON'T  
FIGHT!  
DO YOU  
STILL  
REFUSE TO  
LISTEN?

THAT  
KID AND THE  
DEMON WOMAN  
WOUNDED OUR  
MIRACULOUS DOOR.  
ARE YOU GOING  
TO LET THEM  
GO?

LOOK! THAT  
BASTARD KILLED  
WHO KNOWS  
HOW MANY OF  
OUR BROTHERS.  
AND YET, YOU'VE  
ALLOWED HIM  
TO ESCAPE!

LET'S GO!

LET'S GO!

But no one in the crowd dared to stop them.

There are only these Wudang disciples.

*He already lost  
too many things.  
There mustn't  
be any more  
confrontations!*

YOUR  
OPPONENT  
IS ME!

THE FIRST  
ONE WILL  
BE YOU!

Han Tianbao is  
adept at fist tech-  
niques and already  
calculated the dis-  
tance between Xi  
Xiao Yan and him-  
self. He has already  
formed a plan to  
stop the blow and  
counterattack!

HOW...?  
AT THAT  
DISTANCE  
...?

Han Tianhao  
didn't have a  
chance to react  
before he was  
already struck by  
Xiao Yan's  
heavy right fist.

How can anyone in the world have such a long arm?

One move and he has already gravely injured Strong Deer's renowned Han Tianbo.

Xi Xiang Yu's first strike after coming down the Wudang Mountain is enough to shake the world of martial artists.

**NEXT!**

GOOD LORD... HE  
HAS TWO  
ELBOW  
JOINTS!

With an  
arm like  
that, what  
kind of  
strength  
will he  
use?

Right now  
the people  
on the roof-  
top have  
united  
regardless of  
faction or foe.  
They now  
face one  
question:

Thus, his  
outlook is  
half black and  
displays the  
white "Yang  
Yin" symbol

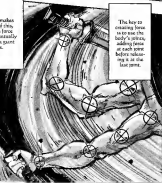

Xi Xiao Yun has  
learned "Taoist  
Blade", but his  
personality is fierce  
and he doesn't use  
the techniques of  
serving forces.  
Instead, he becomes  
an emperor and  
using force

"Tachi" releases full use of chi, putting on force, until it eventually becomes a giant wave.

The key to creating force is to use the body's joints, adding force at each joint before releasing it at the last joint.

Because Xiao Yu has an extra joint, the "Yang Chi Blade" gains enormous power!

IT'S AS THOUGH HE'S NOT HUMAN...

Ding Shuangao has no thoughts about whether he will win. He wonders whether he will survive.

The simplest move and superhuman strength

There are no openings!

Ever since Xiao  
Yun learned  
"Yong Chai  
Blade", he has  
known that a  
person who could  
withstand the full  
force of his blade

And  
it's a  
woman!

His long hair  
and the katana  
represented an  
unforgettable  
beauty in the  
eyes of Xiao  
Yan.

Living  
on Blazing  
Mountain for  
15 years not  
caring about  
anything outside  
of martial  
arts, he has  
never felt  
something like  
this.

No one  
else had  
ever  
stepped  
in.

At the same  
time, Ha Linglan  
is also surprised.  
The person in  
front of her has  
more force behind  
the sword than  
heavens with his  
one hand!

except  
one  
person.

Jing Lin,  
where are  
you...?
